Our shut-in members are those who are for any length of time – and in most cases, permanently – unable to attend our weekly worship or our celebration of the Lord's Supper. They are served, then, with recordings of our services and with private communion from the pastors. Please be sure to inform the pastors of any of our members who become needful of these services, and especially be sure to remember all our shut-ins with your prayers and correspondence – and even better yet, with a personal visit now and then. *Please see your hard copy of the News & Views for our current Shut In Members*
